Mumbai 400034.

Respected Sir/Madam,

FETE (Female Empowerment Through Education) is a project of Madat Charitable Trust which is very close to the heart of the Founding Trustees, launched in March 2020.

Aim of the project is to support graduate education of the female child so that she can be independent to stand on her own feet.

Under this project we fund girls who have secured admission through merit to graduate courses in finance, law, medicine, engineering, architecture etc., and who cannot self fund their education. We will take care of tuition fees, hostel, mess charges and some basic living expenses.

This is so that the child does not have to run to different organizations for funding.

This year we have so far funded 40 children for courses ranging from physiotherapy, MBA, fashion design to finance, nursing and medicine

We are happy to have funded Ms. Kajal Maurya of Lala Lajpat Rai College for law this year. Transferred Rs.30,000/- on 1<sup>st</sup> Mar 2021 from Madat Charitable Trust. NEFT details given below :

INF/NEFT/023692529411/CHIN0283995/3134037 by EKSA/LALA LAJPATRAI amount Rs.30,000/-

We wish Ms. Kajal Maurya success.

Regards,

For MADAT CHARITABLE TRUST
